

Cambrex Karlskoga Travel Information

Karlskoga is situated in the southeast of the province of Värmland in west central Sweden.

To reach us by plane:

The nearest airport is Örebro Airport that is about 40 kilometers from Karlskoga. Karlstad Airport is about 80 kilometers from Karlskoga. Arlanda, the airport of our capital Stockholm, is about 250 kilometers from Karlskoga.

To reach us by train:

The nearest train station is in Degerfors 10 kilometers south of Karlskoga. From the station there is a direct bus to Karlskoga bus station.

To reach us by car:

If you are travelling to Karlskoga by car please refer to the directions below for the easiest route to the Björkborn Industrial Estate where Cambrex Karlskoga is based.

From Örebro:

Take the E18. When you get to the Statoil gas station at Strömsbro, turn right. Drive along the road called Filipstadsvägen and at the T-junction turn right into the road called Norrleden. After the rail-crossing take the first turn left to the Björkborn Industriområde (Björkborn Industrial Estate). Drive straight on to the site entrance.

From Degerfors:

Take the trunk road 205 from Degerfors. At the roundabout with the E18 highway turn right. When you get to the Statoil gas station at Strömsbro, turn left. Drive along the road called Filipstadsvägen and at the T-junction turn right into the road called Norrleden. After the rail-crossing take the first turn left to the Björkborn Industriområde (Björkborn Industrial Estate). Drive straight on to the site entrance.

From Karlstad/Kristinehamn:

Take the E18, cross one roundabout and several sets of traffic lights. When you get to the Statoil gas station at Strömsbro, turn left. Drive along the road called Filipstadsvägen and at the T-junction turn right into the road called Norrleden. After the rail-crossing take the first turn left to the Björkborn Industriområde (Björkborn Industrial Estate). Drive straight on to the site entrance.

From Filipstad/Hällefors:

Take the trunk road 237/205 from Filipstad/Hällefors. At the first crossroads turn left and drive along the road called Norrleden. After the rail-crossing take the first turn left to the Björkborn Industriområde (Björkborn Industrial Estate). Drive straight on to the site entrance.

From Nora:

Take the trunk road 243 from Nora. After crossing the railway turn right into the road called Norrleden. After crossing the railway two more times, turn right to the Björkborn Industriområde (Björkborn Industrial Estate). Drive straight on to the site entrance.
