

Diversity, Equity & Inclusion

Building Culture and Community

Cambrex embraces the unique backgrounds and perspectives of all colleagues to serve the needs of our customers, and to generate a vibrant Cambrex community. We strive to create a deep sense of inclusion and fully embrace the remarkable diversity of perspectives, backgrounds and talents of our 2400+ colleagues around the world.

We commit to:

- Advance our culture through inclusion
- Build a diverse workforce to serve the needs of our global customer community
- Leverage our breadth of experience and expertise to enhance our way of doing business

Together, we can build a healthier, happier, inclusive community where each person can thrive.
